RE: Status in the UW Neuroscience Graduate Program

To Whom It May Concern:

Abhishek De is a student in good standing in the Graduate Program in Neuroscience at the University of Washington. Abhishek has been with our program since September of 2014 and has a current salary level of \$2850 per month (\$34,200 annual). This salary will be raised to \$2,992 per month (\$35,904 annual) starting July 1, 2019. Our students are full-time and have 12-month appointments, which means that they work and are paid consistently throughout the year.

If you have any questions regarding Abhishek and his status within our program, please feel free to contact me by phone (206-685-1647) or email (sheak2@uw.edu).

Sincerely,

A handwritten signature in cursive script that reads "Kyle Shea".
